- SCREEN
Search High to Low
- 1 HMD - TOP NAVIGATION
 - 2 ADDRESS: Client uses the open text fields to enter the address of the venue.
 - 3 DATES: Clients enter in the dates they will be needing technicians.
 - 4 PRICE PER HOUR: This side bar suggests how much the freelancer charges per hour.
 - 5 TECHNICIANS: Three drop down categories that filter what type of technician the client is looking for.
 - 6 SKILLS: Four rows of checkboxes that drop down for more options. Check all the skills you would like your technicians to have.
 - 7 GEAR: Four rows of checkboxes that drop down for more options. Check all the gear you would like your technicians to be familiar with.
 - 8 SEARCH / CANCEL: Clients are able to apply all of the search filters or cancel for a data wipe
 - 9 FILTER: This is a drop down that allows clients to search for freelancers based of ascending and descending price.
 - 10 SEARCH RESULTS: Header for search results
 - 11 PROFILE: This is a freelancer profile photo. This could either be a picture of what they work with or a personal photo.
 - 12 PRICE: This is where the freelancers get to advertise their price per hour.
 - 13 CHECK NOTIFICATION: This indicates freelancers that the client has worked with in the past.
 - 14 PROFILE NAME: This is where the freelancer information goes.
 - 15 PAGES: This box shows which page you are on as well as how many pages of results the client has.
 - 16 SUGGESTIONS: Here are some suggestions the client has to search in neighborhoods just outside of their chosen area.
